---

**Township Retirements**  
*Barb Crow, Supervisor*

Two Duluth Township employees retired in September.

**John Kessler,** our Assistant Director of Planning and Zoning, retired after many years of active service to our Township. His knowledge of our zoning ordinance, coupled with his compassion for the residents of the Township, helped shape the welcoming community that we all enjoy. He wrote several articles explaining various provisions of our zoning ordinance for the Newsletter. John was a motivator for the Scenic Byway route along the shore and contributed to the sewer district project for our Township. He and his wife, Marilyn, operated the Corner Cupboard on the shore for many years.

**Marlis Livingston** worked at the Town Hall Recycling Shed for the past seven years. Her bright smile and warm heart greeted many of us on those cold recycling mornings.

We are grateful to Marlis and John for their dedication to the Township and wish them well. Thank you to both!

---

**What’s Coming Up?**

**VOTE** — Tuesday, Nov. 6th 7am to 8pm, Town Hall  
*If you haven’t already registered to vote you may register at the Town Hall on Tuesday (see article).*

The regular Planning Commission meeting has been postponed from Thanksgiving, Nov 22nd to the following Thursday, Nov 29th. There is no December meeting due to proximity to the holidays.

---

**Police Department**  
*Shawn Padden, Chief*

There were 102 police events in August which included 37 requested home/business checks, 11 traffic warnings/citations, 7 serving civil process, 6 medical emergencies, 5 health/welfare checks, 4 ATL careless driver stops, 4 fire alarm plus 3 burglar alarm responses, 4 animal complaints and 3 suspicious vehicle checks.

Our Township web site has details including a full list of police response events. You can sign up for email notification as well.

**Please practice Fire Arm Safety and Hunting Courtesy.**

*Note: If you need/want/expect a police squad to respond immediately, call 911. Other than 911, the quickest way to get our police response is to leave a message on our squad phone (393-8407). We may work 5 days in a row, but may not always get into the office during that time. Our main office where we spend 90% of our time is in our squad vehicle.*

---

**Thanks to John Bowen**

Resident **John Bowen** has resigned from the Duluth/North Shore Sanitary District. He has been our Township’s representative, attending the early morning meetings of D/NSSD which is in charge of the sewer along the shore. John has been very active in our Township’s Comprehensive Planning and Zoning Ordinance work over the years, often bringing helpful data that few others have had at hand.

Thank you for your good citizenship and contributions to our Township.

---

**Thanks to all contributors to this issue**

Registering to Vote

Before you can vote, you must register. In Minnesota you must register at least 20 days before Election Day, otherwise you can register on Election Day (Nov 6th this year) at your polling place.

To be eligible to register and vote in Minnesota you must:

• Be at least 18 years old on Election Day.
• Be a citizen of the United States
• Have resided in Minnesota for 20 days immediately preceding Election Day.
• Have any felony conviction record discharged, expired, or completed.
• Not be under court-ordered guardianship where a court has revoked your voting rights.
• Not have been ruled legally incompetent by a court of law.

Updating Your Registration

Your registration remains current until you move, change your name, or do not vote for four consecutive years. You may update your registration information by completing and submitting another Voter Registration Application.

The Secretary of State website at www.sos.state.mn.us includes a Voter Registration Lookup to find out if you're already registered to vote at your current address.

To register at your polling place on Election Day, you must bring one of the following with your current name and address to verify your residence in the precinct:

• A valid Minnesota driver’s license, learner’s permit, Minnesota ID card, or receipt for any of these, or
• Photo ID plus a utility bill or fee statement.

Acceptable Photo ID

(even if it does not have a current address or is expired)
MN Drivers License, MN ID, US Passport, US Military ID, MN University/college/technical college ID, Tribal ID.

Acceptable bills (if they have the voter’s name and a current address in the precinct).
Telephone (landline, cell, VOIP, etc), television (cable, satellite, etc), or internet service provider regardless of how the service is delivered.
Electric, gas, water, garbage, sewer, or solid waste. Current student fee statement. Rent statement dated within 30 days of Election Day that itemizes utilities.

• Other: Having residency vouched for by a registered local voter (with signed oath), or having a notice of late registration sent by the county auditor, or having a previous registration in the same precinct with a former name or address on the roster.

This article includes election information summarized and provided thanks to the Rice Lake Township News.

Farm Dreams: Exploring Your Future in Farming
Cree Bradley, Facilitator
Saturday Nov. 10th from 1-5 in our Town Hall

This is a 4 hour workshop to help people who are seeking practical, commonsense information to determine whether farming is the next step for them. All ages and farm enterprise interests welcome! Call 218-834-0846 or email: cree@lakesuperiorfarming.org.
Sponsored by Lake Superior Sustainable Farming Assn. and UMD’s Sustainable Agriculture Program.

Road Update
Supervisor, Dave Miller

It’s been a very busy year for maintaining and repairing Township roads, primarily due to the June 20th historic flooding that damaged infrastructure in the Township. Our major problem areas were the Johnson Road (completely washed out); Gamble Road (ditch damage and surface gravel washed away); and W. Wildwood (surface gravel washed out, parts of road surface and driveway entrances washed away). In addition to this, most roads had surface gravel and minor rutting and washouts. The total cost of repairing these three roads was $34,000. The total cost of repairing all the roads in the Township was approximately $45,000.

The Township requested FEMA help to repair the damage and bring the above three roads back to their original condition. The three roads were approved and FEMA will pay for 75% of the cost of repair and the State another 15% which will reimburse the Township approximately $30,000 with the Township paying for the remainder of the total cost. In addition, the Township has submitted two mitigation projects for the Gamble and Johnson Roads to prevent flood damage in the future. If approved, FEMA will fund the projects totaling $13,000.

Our regularly scheduled work of grading roads was reduced to one in the spring and once this fall, due to the work of repairing the storm damage. We have replaced a driveway and two culverts on Gamble Rd and three on W. Wildwood Rd with larger 24 inch culverts to handle more of the rain water runoff. We applied chloride to two and a half miles of road at a cost of $4,000. The remainder of the year will be spent grading roads and completing minor work that had been started but not completed.

Should you have any questions or concerns, do not hesitate to contact me (see page 3 for contact information).

Bob Rodda

Our thanks to Bob Rodda, our road contractor for several years. He responded quickly to the flood damage and has worked hard to complete the various road projects in our Township.

Many residents have commented on how well Bob maintains our Township roads (note that County roads in the Township are maintained by the County!). We are fortunate to have his cheerful dedication and experience.

Bob also contracts with a number of other Townships in the area. Thanks Bob!

25, Tue, Township Knitters will NOT meet.
27, Thu, 7pm Planning Commission will NOT meet.

JANUARY 2013

2, Wed, 7pm Volunteer Fire Dept: business meeting Fire Hall #1, Ryan Road
2, Wed, 12:30pm Homesteader’s meet, Town Hall
10, Thu, 7pm TOWN BOARD, Town Hall.
14, Mon, 6:30pm, North Shore Community School Board meeting, NSCS Library
15, Tue, 7pm Duluth/North Shore Sanitary District meeting, French River Lutheran Church
16, Wed, 7pm Volunteer Fire Dept training Hall #1
24, Thu, 7pm Planning Commission, Town Hall
29, Tue, 6:30pm Township Knitters, Town Hall.
The Next Town Board meetings: (2nd Thursday at 7pm in the Town Hall) Nov. 8th and Dec. 13th. Residents are urged to attend these public meetings

The Next Planning Committee meetings (4th Thursday at 7pm in the Town Hall): Nov. 29th (no meeting in December) then regular meetings starting January 26th, 2013 Special hearings are posted at the Town Hall. Residents are urged to attend these public meetings.

VOLUNTEERING

One thing that makes our Township a great place to live is the many residents who step up and volunteer to help out or serve a term in office. We owe a lot to those on the Town Board and Planning Commission for their willingness to handle OUR Township business.

Why not consider volunteering yourself? You could start by attending some Town meetings to see how our business is handled and to support those who have volunteered. There are lots of volunteer opportunities!
Clifton Volunteer Fire Department
Bob Engelson, Fire Chief

Our Fire Department helped lend realism to NSCS fire drill. It was a quick and orderly event with students and staff gathering on the green across from the school. Firefighters aiding the event were Chief Bob Engelson, Assistant Chief Keith Darsow and firefighters Sherry Rovig, Jody Anderson and Everett Swartz.

Thanks to all for a successful Volunteer Fire Department Benefit Harvest Dinner.

The annual free Fire Calendar is sponsored by our Fire Department Reserve and local merchants. Calendars will be distributed to all Township households later this year.

**Please be cautious with outdoor fires.** Driving through dry grass or tossing lighted cigarettes is dangerous. Call 911 immediately if you see a grass fire. Be careful when hunting too.

We are looking for volunteer help to maintain the minimal landscape beds at Fire Hall #1 next year (no mowing).

---

**Fiber Optic Communications Update**
Jeffrey S. Roiland, Lake Connections Project Manager

Ten contractors attended a meeting concerning bids for Phase 2A of the fiber optic project to install some 300 miles of cable including in Duluth Township. Bids will be opened November 1st and construction may be started this winter, depending upon weather. As the routes are laid out, homeowners will be contacted to see if they want access. The fiber optic system can include high speed internet, TV channels and phone service. Pricing and specifics of service should become available by the end of the year. Residents can “sign up” on the web site (below) to indicate their interest, without obligation.

Lines will be hung on existing power poles (MPL or CLP) and some will be buried. In some cases CLP does not have an easement arrangement with a landowner permitting Lake Connections access to an existing power line right of way so that the fiber optic cable can be hung on CLP’s existing poles. Thus, some private land owners may be asked to grant an access easement to the existing CLP right of way on their land. Resident cooperation is requested if that should be necessary.

Lake County representatives will contact homeowners where this is a problem in providing them desired service.

Lake Connections is at 409 17th Ave, Two Harbors. Call: 320-295-2482; www.lakeconnections.com email jroiland@lakeconnections.com.

---

Duluth Township Recreation Corner
Kevin Pettis, Recreation Coordinator

It was a busy summer and fall this year. Winter is on its way! The weather this past month is hopefully preparing us for a long ice skating season.

This fall we purchased a sprinkler system to help us maintain all of the athletic fields at our Community Center. The system works great and I look forward to nice green grass next year. As this Newsletter issue gets released, the big field will be shut down for the year, allowing the fertilizer and grass seed a chance to take hold. If you are interested in playing outside on the fields, please use the small field behind the school. Also, note that no bicycles are allowed on the big and small fields or the baseball infield. Please park your bicycles by the pavilion when using the small field behind the school. Bicycles on the fields will not be tolerated. The fields did get good use since August and I look forward to the fields getting good use next year.

The hockey rink needs a little more work before the skating season starts this year. I will post times when the rink will be worked on. Also I am still working on the possibility of purchasing a lawn and garden tractor with a brush accessory that will benefit both the NSCS and the Community Center for years to come. We do have an announcement board for recreation to be posted on the outside our new Warming Center to let people know about ice skating rink rules, the concession stand menu and events happening during the winter months.

This winter is also going to be a busy time at the Community Center when it comes to renting out our facility. Please call me if you are interested in renting rooms or the gymnasium. If you have questions or concerns, please call me at 218-830-0052 or 218-525-0663 x301. You can also email: RecreationCoordinator@duluthtownship.org.
In celebration of neighborhood gatherings!

Thank you Dirt People!

Our 2nd annual Meet, Greet and Eat with the people on the dirt (West Knife River Road, App Rd, Damon Road, Two-Harbors Road, Mikkenen Road) held Sunday Sept. 16th, couldn’t have been nicer.

The warm breeze, fall colors, bright red apples and orange pumpkins in the garden made for a perfect day.

We roasted hotdogs over the fire and shared a wide variety of foods including but not limited to popcorn salad, rhubarb custard cake, smoked fish, chili and a variety of goodies from the Amazing Grace Bakery in Canal Park—a buffet for the most discerning of palates.

I dare say that the conversation was enlightening. I acquired much knowledge on raising chickens, pigs, llamas, and how to make the perfect pie crust (I tried and need more practice). From what Barry told me there are a lot more attachments he needs for the Bobcat; thanks Joe!

Barry and I want to thank you all for taking time from your busy schedules to come. For a few short hours we were able to push to the back of our minds the world problems and enjoy the company of truly nice people, The People of the Dirt.

We’ll do it again next year!

Barry and Janet Lampi

**St. Louis County Snow Removal Policy**

**Winter, 2012-13**

Dave Miller, Supervisor

The following is a brief summary of the County’s snow removal policy. A complete copy is at the Town Hall.

- Do not crowd the plow and pass with care.
- Plow operations will consist of 3 phases: make roads passable, widening and sanding, then general clean-up
- All County and Township roads will be plowed first, then private driveways.
- Operators will try to leave as little snow as possible across driveways.
- It is unlawful to plow or snow blow snow from driveways onto or across County/Township roads.
- Residents must remove parked vehicles from County/Township roads to assist in snow removal.
